

‘Making a positive difference in the lives of people with a disability’

Community Support Program

Participants with an intellectual disability develop a support plan focusing on one or two areas of independent living such as shopping, cooking, budgeting, paying bills, cleaning and making appointments.

Individualised Support Programs

Individualised Support Programs are delivered in accordance with individual support package terms & assist participants on the path to independent living.

Gifford Arts Program

Group artists have the opportunity to explore art, build confidence, meet new people and discover creative talents within a friendly, welcoming & stimulating atmosphere.

Individual Development Program

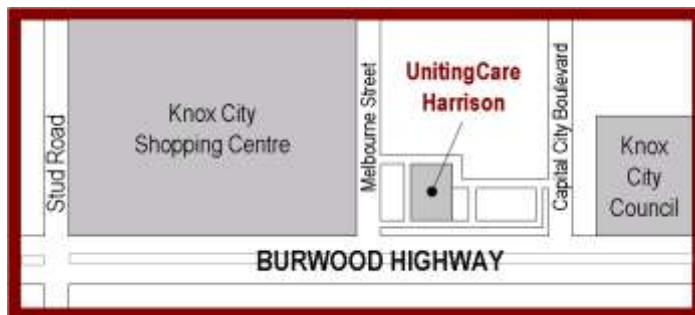

Participants with an intellectual disability learn independent living skills during a 20 week live in program. The program assists participants with transitioning into independent living opportunities.
