Would you like to take charge of your own life?

UnitingCare Harrison provides services to support young people, single people, and families living throughout the Eastern Metropolitan region of Melbourne.

'We assist people to take charge of their own lives'

'We assist people to take charge of their own lives'

‘UnitingCare Harrison provides a range of services to support people through everyday difficulties that they are experiencing’

Youth & Family Services

Working collaboratively with young people and families to provide timely prevention, early intervention and support services to strengthen relationships and develop strategies to maintain the young person in the family home and education system where possible.

Where the young person is not connected to home, we provide support to explore their accommodation options and links to education and training.

Accommodation Services

Supporting people who are homeless or at risk of becoming homeless to access and maintain affordable housing. There are specific services for families, young people and those with multicultural needs.

Disability Services

Helping people with a disability to take part in the community and maintain independence. These services are designed to support people’s potential for personal growth, skill development and decision making.
