Would you like assistance to maintain long term housing?

If you are a family in the Eastern Metropolitan Region of Melbourne and are at risk of Homelessness we can support you to establish and maintain long term housing such as Private Rental Property, Social Housing, Aboriginal Housing or Public Housing.

‘We assist people to take charge of their own lives’

‘We assist people to take charge of their own lives’

‘Ensuring the establishment of effective links within the local community while opening doors to access support services’

We will work with families to ensure:

- Improved collaborative relationships between homelessness services
- Stronger links to mainstream and specialist services to maintain children in school
- Access to brokerage funds to meet case management goals
- Stronger parenting skills and develop effective strategies to take charge of their own lives
- The establishment of effective links within your local communities and access to specialist support services

Support vacancies

Vacancies will be listed on the Opening Door resource register under the Transitional Support category. The referrals are to come through Harrison's Opening Door Service using the regional CHART.

Target Group

Support for Families at Risk of Homelessness is for families from various backgrounds who have secure housing but need ongoing support to establish and maintain their housing.
